Alright Charlie?

This workbook belongs to: __________________
1. What has Danny done that is not OK?

1. ________________________________________________
2. ________________________________________________
3. ________________________________________________
4. ________________________________________________
5. ________________________________________________
6. ________________________________________________

2. Why are they not OK?
3. Which selfies are NOT safe to send?

1. In your school uniform
2. In your underwear
3. In the shower
4. With no clothes on
5. Showing your private parts
6. At the swimming baths
7. All of them

Safe  Not Safe

Remember: Once you send a selfie you lose control of it. If you send selfies of yourself with no clothes on to someone under 18 you could get into trouble.

4. How can you stay safe online?

1. Share passwords with parents/carers
2. Not have your face as a profile picture
3. Have online friends who are close to your own age
4. Have online friends you know and have met
5. Make online settings private
6. Keep your location private
7. Don’t talk online to adults you have never met
8. Only post images you’d be happy for everyone to see
9. ____________________________________________________________
Is this OK?

5. What has Danny done NOW that is not OK?

1. ____________________________________________
2. ____________________________________________
3. ____________________________________________
4. ____________________________________________
5. ____________________________________________
6. ____________________________________________

6. Why is Danny doing this?

1. To make Charlie feel grown up
2. To be Charlie’s friend
3. To make Charlie think he’s a nice/safe person
4. To make Charlie want to spend time with him
5. To make sure Charlie’s family don’t find out
6. To get Charlie away from their family
1. Can I bring my friends?  
2. Can I bring my Mum?  
3. Maybe. I need to see if I have homework.  
4. No thanks. I don’t think I should.  
5. I’ll text you later and let you know.  
6. I’ll bring you a present to say thanks.

8. Who could Charlie tell about this?

1. Mum  6. A family member
2. Max  7. Someone in the street
5. A Teacher  10. Someone on Instipix

11. ______________________________________________
9. What could Charlie say to this person?

1. My brother’s friend, Danny has asked me to go to his flat tomorrow evening. Is that OK?

3. I think my brother’s friend might be grooming me. Can you help?

4. My brother’s friend has bought me stuff and told me to keep secrets.

At the Police Station

10. Why has Danny been arrested?

1. Because he stole a phone  ✔
2. Because he groomed Charlie  ❌
3. Because he had a fight  ❌
4. Because he got drunk  ❌

Remember: You can’t tell if someone is unsafe by looking at them but we can by the things they DO and SAY. These are called WARNING SIGNS
**WARNING SIGNS**

- Is not close to your own age
- Shows you rude images or videos
- Asks you to lie or keep secrets
- Offers you things you are too young for
- Asks you to do inappropriate things
- Gives you secret gifts
- Is being too friendly
- Tries to get you alone

These signs might mean someone is grooming you.

**TELL SOMEBODY.**
A different ending

Draw or write how things could have ended differently for Charlie, or what Charlie could do now.
### Who can help?

If you think you or someone else is being groomed here are people that can help.
